# The high cost of health care is one of your customer's biggest concerns.

***Partner with UnitedHealth Group to help them ease their worries and to help you:***

- Generate significant fee income
- Increase customer loyalty
- Improve customer retention

***Offer your customers the best health care discount product from one of the most respected companies in the country: UnitedHealth Group.***

- Members and their families save 10 to 50 percent on necessary health expenses.
- On-the-spot savings from over 500,000 participating health care professionals nationwide.
- One of the most robust programs on the market, offering discounts in medical care, dental (including cosmetic dental), vision (including LASIK), pharmacy, long-term care services, behavioral health, wellness products and services, and more.
